**LOCAL BUSINESSWOMAN, DAR VOSBURG, ANNOUNCES
CAMPAIGN FOR MN HOUSE**

Vosburg, a Republican candidate with a wide array of experience, is committed to representing the interests of District 18B at the Capitol.

MANKATO, MN --- Dar Vosburg, a Republican candidate who has resided in the Mankato area for over 35 years, has officially announced her candidacy for the District 18B seat in the MN House of Representatives. Vosburg currently works as a Broker/Owner of a real estate company, manager of a self-storage business, Co-Owner of a thermography business, and a sales rep for a wellness company.

“We need a Representative who can passionately represent all of us here in Mankato, Skyline, and Eagle Lake. Our district's business community has been overlooked for too long, and it's time for a change. It's time to usher in a new era of representation that brings common sense, critical thinking, and effective problem-solving to the table.” Vosburg said.

“We must advocate for lower taxes across the board, including income taxes, property taxes, and business taxes. Reducing the tax burden on individuals and businesses can stimulate job creation, encourage investment, and empower families to keep more of their hard-earned money. Fiscal responsibility and efficient government spending are essential for ensuring a prosperous future for all Minnesotans. The spending by the DFL-led trifecta this past session is unsustainable.”

A staunch advocate for educational reform, Vosburg is deeply concerned about the declining standards in local schools. "Our schools face significant challenges, from escalating violence to dwindling test scores. Eight years ago, Mankato West was in the top 1,000 nationally. Now, West ranks at 2,779, and East is at 3,267 nationally. We have to do better. We clearly need proactive solutions that rely on effective legislation and adequate funding,” Vosburg stated.”

Vosburg has family roots in Minnesota as early as 1882. After graduating from Minnetonka High School, Vosburg attended Gustavus Adolphus College in St. Peter and then transferred to MSU-Mankato, where she was working on double majors in Business Administration and Non-Teaching Physical Education. She and her husband, Dave, currently reside in Mankato.

“With my diverse experiences and strong leadership skills, I am confident I can bring positive change to our district. I am ready to roll up my sleeves and work tirelessly on behalf of every member of our community as you are not simply constituents but family and friends.” Vosburg said.

Vosburg invites voters to explore her platform and connect with her through her website, VosburgForHouse.com, where they can find comprehensive information about her vision for District 18B and how to get involved in her campaign.
